RE Official Information Act request CDHB 10165

I refer to your email dated 25 July 2019 to the Ministry of Health which they subsequently partially transferred to us on 8 August 2019 requesting the following information under the Official Information Act from Canterbury DHB. This request relates to the Youth Health Care in Secondary Schools and the Ministry of Health recommendations.

The Ministry of Health recommends the following minimum ratios:

- *One full-time equivalent (FTE) registered nurse (RN) to 750 students in decile 1-3 secondary schools*
- *One FTE RN to 200 students in high-needs contexts, such as alternative education units*
- *RN attendance for a minimum of one day per week during term time.*

The Ministry of Health transferred Questions 2, 3 and 4 of your six questions. Specifically:

2. How many schools have taken up the recommendations?

All ten decile 3 secondary schools in Canterbury District Health Board catchment have taken up the Ministry of Health recommendations.

3. Where are the schools that have taken up the recommendations?

These schools are all in the Greater Christchurch area.

4. Are you able to name the schools that have taken up the recommendations?

- Haeata
- Hornby High School
- Linwood College
- Catholic Cathedral College
- Te Kura Kaupapa Maori O Waitaha
- Te Kura Kaupapa Maori O Te Whanau Tahī
- Halswell Residential College
- Alternative Education
- Teen Parent Units (x2)

I trust that this satisfies your interest in this matter.

Please note that this response, or an edited version of this response, may be published on the Canterbury DHB website after your receipt of this response.

Yours sincerely
