

Taking Your Child Home on a Tube Feed

Parent/Caregiver Information

Supplies

All the supplies you need for managing tube feeding at home are available from Nurse Maude Supply Shop.

Supplies are provided on a monthly basis. If supplies cannot be picked up monthly then this needs to be discussed with the Nurse Maude Supply Shop.

One week before you need more supplies contact Nurse Maude and place your order.

Supplies can be collected from Nurse Maude Supply Shop or they can also be couriered out for a fee. Please contact Nurse Maude directly to discuss delivery options for your area and the fee.
