RE Official Information Act request CDHB 10733

I refer to your email dated 12 October 2021 requesting the following information under the Official Information Act from Canterbury DHB. Specifically:

- **Over the last 5 years what are the names of contractors, who have worked for longer than one year, in a DHBs tier 1,2 or 3 management position, and what was the daily or weekly or year rate paid to each of these contractors?**

This is not information we hold in an easily retrievable data system and would require a substantial amount of time and resource to find at the level of detail requested. We are therefore declining your specific request pursuant to sections 18(f) of the Official Information Act i.e.

18(f) “...the information requested cannot be made available without substantial collation and research”.

In reaching this decision we have considered whether we could respond to your request by either fixing a charge or extending the response time limit.

However, we can provide you with extensive information that is included in our responses to the Health Select Committee Reports. <https://www.parliament.nz/en/pb/sc/scl/health/>

The question (below) is generally included each year that we are asked to respond to:

CONSULTANTS, CONTRACTORS/TEMPORARY CONTRACTS, PROVIDERS OF PROFESSIONAL SERVICES

How many contractors, consultants, including those providing professional services, were engaged or employed in ‘financial year’ and what was the estimated total cost? How did this compare to each of the previous four financial years, both in terms of the number engaged and the total cost? For each consultant or contractor that has been engaged in the previous four financial years please provide the following details: - Name of consultant or contractor - Type of service generally provided by the consultant or contractor - Details of the specific consultancy or contract - Budgeted and/or actual cost - Maximum hourly and daily rates charged - Date of the contract - Date the work commenced -

Completion date - Whether tenders were invited; if so, how many were received - Whether there are proposals for further or following work from the original consultancy; if so, the details of this work?

We are providing you with an example of the information provided for the Health Select Committee Reports in the following appendices:

Appendix 1	-	2016/2017
Appendix 2	-	2017/2018
Appendix 3	-	2018/2019
Appendix 4	-	2019/2020

I also refer you to a response we completed in August (CDHB 10615) which is published on our website https://www.cdhb.health.nz/about-us/document-library/?_sft_document_type=official-information-act-response

This was a request for: *Can you please provide me with details of contractors/non-FTE staff you have working under the funding and planning, and the IT department?*

You may, under section 28(3) of the Official Information Act, seek a review of our decision to withhold information by the Ombudsman. Information about how to make a complaint is available at www.ombudsman.parliament.nz; or Freephone 0800 802 602.

Please note that this response, or an edited version of this response, may be published on the Canterbury DHB website after your receipt of this response.

Yours sincerely

Tracey Maisey
Executive Director
Planning, Funding & Decision Support
