RE Official Information Act request CDHB 10872

I refer to your email dated 13 May 2022 requesting the following information under the Official Information Act from Canterbury DHB regarding MRT MECA bargaining information. Specifically:

- 1. Data about MRT staffing levels. We require the budgeted and the current FTE figures for each DHB site, for the following years:**

- a. The financial year ended 30 June 2020.
- b. The financial year ended 30 June 2021.
- c. The year to date, ending 14 April 2022.

These figures need to be separated into the budgeted and current FTE figures for each site AND for each of the years requested.

Please refer to **Appendix 1** (attached) – Page 1.

- 2. Figures for the total number of examinations (i.e. examinations, not patient numbers) performed for the following years:**

- a. The financial year ended 30 June 2020.
- b. The financial year ended 30 June 2021.
- c. The year to date, ending 14 April 2022.

These need to be separated into the number of examinations in CT, MRI, Nuclear Medicine, Angiography, Theatre, Emergency, General and Mammography for your DHB for each year.

Please refer to **Appendix 2** (attached) – Page 2.

3. Wait list times for the following years:

- a. The financial year ended 30 June 2020.
- b. The financial year ended 30 June 2021.
- c. The year to date, ending 14 April 2022.

Please refer to **Appendix 3** (attached) – Page 3.

4. Current Radiology Services and Hours of Work.

Please refer to **Appendix 4** (attached) – Page 12.

I trust that this satisfies your interest in this matter.

Please note that this response, or an edited version of this response, may be published on the Canterbury DHB website after your receipt of this response.

Yours sincerely

Note:

June 2020 Budgeted FTE was higher than actual prior to Acute Services Building (ASB) Facility completion.

Recruitment was completed end of 2020 when facility went live.

*2022 FTE includes additional COVID rapid response FTE.

The information above includes

- Burwood – 6.0 FTE for general, 3.0 FTE for CT and 4.0 FTE for MRI
- Ashburton – 4.0 FTE from general covers the Ashburton service with backfill from CHC as required.
- Kaikoura – 1.0 FTE from general is used to cover the Kaikoura service – one 8-hour shift per week.
