RE Official information request CDHB 10464

I refer to your email dated 27 October 2020 to Ministry of Health which they subsequently partially transferred to us on 2 November 2020, requesting the following information under the Official Information Act from Canterbury DHB. Specifically question 3:

3. The serology testing specifically used for the Christchurch fisherman.

<https://www.stuff.co.nz/national/health/coronavirus/123166741/covid19-how-serology-testing-can-look-back-in-time-to-identify-new-or-historical-infections>

Canterbury Health Laboratories, Canterbury District Health Board used the following commercial test kits for SARS-CoV-2 serology testing referred to in the media article.

Anti-SARS-CoV-2 IgG ELISA Euroimmun
Anti-SARS-CoV-2 NCP IgG ELISA Euroimmun
Access SARS-CoV-2 IgG Antibody Test Beckman Coulter

I trust this satisfies your interest in this matter.

Please note that this response, or an edited version of this response, may be published on the Canterbury DHB website after your receipt of this response.

Yours sincerely

Ralph La Salle
Acting Executive Director
Planning, Funding & Decision Support
