**RE Official information request CDHB 10784**

I refer to your email dated 18 November 2021 to the Ministry of Health which they subsequently transferred to us today requesting the following information under the Official Information Act from Canterbury DHB regarding investment in ICU beds. Specifically:

- **What investment in the increased number of ICU beds by region and hospital, have been delivered, from 01 October 2019 to the date of your issuing the data.**

There has been no additional investment from October 2019.

Canterbury DHB provides ICU services at one site, Christchurch Public Hospital. Current physical capacity is 36 beds.

I trust that this satisfies your interest in this matter.

Yours sincerely
