RE Official Information Act request CDHB 10699

I refer to your email dated 18 September 2021 amending your request for the following information under the Official Information Act from Canterbury DHB regarding vaccination numbers for clinics. Specifically:

- **How many vaccinations have been provided to date in total at the top 10 largest vaccination clinics in Canterbury? Of those and for each (named) clinic, can you break this data down by ethnic group, and priority group (the national Covid vaccination priority groups)?**
- **Can you please provide the same data for the Ngā Hau e Whā marae and Māui vaccination clinics?**

Please refer to **Appendix 1 Tables one, two and three** (attached) for the information requested as at 6 October 2021. **Note:** The top ten clinics were identified by looking at the total number of vaccines administered to date. Ethnicity is taken from CIR (Covid Immunisation Register).

I trust that this satisfies your interest in this matter.

Please note that this response, or an edited version of this response, may be published on the Canterbury DHB website after your receipt of this response.

Yours sincerely

Tracey Maisey
Executive Director
Planning, Funding & Decision Support
