**RE Official information request ChChD (Canterbury District) 10932**

I refer to your email dated 10 June 2022 which was subsequently been transferred to us from HQSC and TAS on 27 July 2022. Specifically:

**Official Information Act request – Seclusion data 2016 – 2022 YTD – Waitaha Canterbury and Te Tai o Poutini West Coast**

- **The exact number of people per year (of people in seclusion at the then CDHB Mental Health Services), not in a graph, just the raw data. 2016 – 2022 YTD**

**Table one:** Number of people per year in seclusion at CDHB (2016 through to 30 June 2022) and at Waitaha Canterbury Mental Health Services from 1 July 2022 to YTD (as at 28/7/2022)\*

	Adult General inpatient unit	Child and youth inpatient unit	Forensic inpatient units	Intellectual Disabled Persons inpatient unit	Total number of individuals secluded
2016	30	6	18	13	67
2017	51	8	17	21	96
2018	73	2	24	17	112
2019	93	1	33	15	136
2020	86	6	27	15	128
2021	111	6	33	6	144
2022 YTD*	50	4	23	4	77

**Note:** As some consumers move between inpatient services during the time they are receiving care and treatment, the numbers of individuals in each unit may appear higher than the number of unique individuals in seclusion for a given year.

I trust that this satisfies your interest in this matter.

Please note that this response, or an edited version of this response, may be published on the Waitaha Canterbury website after your receipt of this response.
