RE Official Information Act request CDHB 10028 and WCDHB 9277

I refer to your email dated 30 January 2019, requesting the following information under the Official Information Act from Canterbury DHB and West Coast DHB.

Please provide the total amount of spending on advertising in the past five financial years, by year, including financial year 2018/19 to date. For each year, please break this down into how much of each annual spend was used in each of the following categories:

1. Facebook and Facebook-owned properties (Instagram, WhatsApp)
2. Social media influencers
3. Other social media (e.g. Snapchat)
4. Search engine marketing (broken down by which search engine was used e.g. Google, Bing, Yahoo! etc)
5. Other online advertising
6. Television
7. Radio, including podcasts
8. Outdoor (e.g. billboards, buses)

Please refer to **Appendix 1** (attached) for the information you have requested pertaining to both Canterbury DHB and West Coast DHB. **Please note:** 'Out of Home' covers Billboards, Buses, Street Posters and other postering such as those used on the odd occasion in washrooms in shopping malls.

Additionally, for Canterbury DHB, please refer to **Table one** (below) for the amount spent on the All Right? Campaign during financial years 2014/15 – 2017/18. Note this amount includes advertising placement, posters, billboards, online radio advertising and other collateral such as badges, downtime dice etc. Further information on Allright? Is available at www.allright.org.nz;

Table one:

Financial year	\$\$	Campaign
2014/15	\$484,000	All Right? is a Healthy Christchurch initiative led by the Canterbury District Health Board and the Mental Health Foundation of New Zealand. It has also had support from the Ministry of Social Development and many other organisations including Red Cross, SKIP, the Christchurch City Council and the Waimakariri District Council
2015/16	\$484,000	As above
2016/17	\$537,000	As above
2017/18	\$751,114	As above

Established after the series of earthquakes that hit Canterbury in 2010/11 All Right? supports people to become more aware of their mental health and wellbeing, and to take small and regular steps to improve it. Research on the effectiveness of the programme is available on the Allright? website.

I trust that this satisfies your interest in this matter.

Please note that this response, or an edited version of it, may be published on the Canterbury DHB and West Coast DHB websites after your receipt of this response.

Yours sincerely
