RE Official Information Act request CDHB 10817

I refer to your email dated 14 February 2022 requesting the following information under the Official Information Act from Canterbury DHB. Specifically:

- **As of February 14th, how many people have been waiting longer than clinically recommended for radiation treatment?**

As of 14th February 2022, there were 86 patients waiting longer than clinically recommended.

Category Bs within 14 days	– 36/36 were waiting longer than 14 days
Category C Palliative within 14 days	– 28/37 were waiting longer than 14 days
Category C Rads within 28 days	– 22/25 were waiting longer than 28 days

Therefore 86/98 (87.8%) were waiting longer than clinically recommended

I trust that this satisfies your interest in this matter.

Please note that this response, or an edited version of this response, may be published on the Canterbury DHB website after your receipt of this response.

Yours sincerely
