

Are you feeling unwell with COVID-19 symptoms and need health advice?

Contact your general practice or Māori or Pasifika health provider – treatment and health advice for people who have tested positive for COVID-19 is free.

All other non-COVID-19 related health advice may incur usual consultation fees.

Not enrolled with a GP or other health provider?

If you are not enrolled with a GP, or other health provider, or require after hours, non-emergency COVID-19 health advice, call Healthline's COVID-19 line: **0800 358 5453**. They are available 24/7.

When to call 111

If you or the person you are caring for develops difficulty breathing, severe chest pain, fainting or becomes unconscious, call **111** immediately. **Tell the operator if you or anyone in your household has tested positive for COVID-19.**

All other welfare support

For all other non-health related support for things like financial assistance or kai, please call the COVID-19 Welfare line: **0800 512 337**. They are available 8am-8pm, 7 days a week.
