RE Official information request CDHB 10432

I refer to your email dated 23 September 2020 requesting the following information under the Official Information Act from Canterbury DHB. Specifically:

- 1. Could you please tell me how many external reviews/reports that relate to the financial management of the CDHB have been commissioned in the last three years, and what was the cost of each review/report?**

In answering this question, we have interpreted the request relating to financial management to refer to Canterbury DHB's financial deficit, and excludes reviews and reports on other financial related matters such as Holiday Act compliance, regional Planning Framework Development, etc. As at the date of your request, during the last three years, Canterbury DHB has commissioned four reviews / reports that relate to our financial deficit at a cost of \$21,585 (PwC), \$240,598 (EY), \$51,245 (EY), and \$54,043 (Deloitte). All amounts are GST exclusive.

Please note that other reviews that have been undertaken in this period relating to our financial deficit have all been commissioned by the Ministry of Health.

We apologise for the delay in replying to your request.

I trust this satisfies your interest in this matter.

Please note that this response, or an edited version of this response, may be published on the Canterbury DHB website after your receipt of this response.

Yours sincerely

Ralph La Salle
