RE Official information request CDHB 9953 and WCDHB 9224

We refer to your email dated 1 October 2018 requesting the following information under the Official Information Act from Canterbury DHB and West Coast DHB.

- **Can you let me know the cost to your individual DHB of implementing the National Oracle Solution - i.e. all costs not covered by the central funding pool?**

The implementation of the National Oracle Solution (NOS) was performed as a combined project for Canterbury and West Coast DHBs, and the costs for each DHB cannot be separated.

The combined costs incurred to date for implementing NOS are \$3.25m for Canterbury and West Coast DHBs.

I trust that this satisfies your interest in this matter.

Please note that this response, or an edited version of this response, may be published on the Canterbury DHB and West Coast DHB website after your receipt of this response.

Yours sincerely

Carolyn Gullery
