**RE Official Information Act request CDHB 10602(a)**

I refer to your email dated 1 June 2021 requesting the following information under the Official Information Act from Canterbury DHB, being a follow up request to your Official Information Act request CDHB 10602. Specifically:

- **I would appreciate any report created by by Dr. Pink at the time being provided, and fully understand and appreciate current circumstances make this most certainly a low priority. If there is no report from him, and the only report in existence as a review / analysis of the monitoring being that by Mr. Fowles if I could be advised that is the case.**

The Canterbury DHB has reviewed the files and can confirm there was no report created by Dr Pink to review or analyse the home personal monitoring programme.

I trust this satisfies your interest in this matter.

Please note that this response, or an edited version of this response, may be published on the Canterbury DHB website after your receipt of this response.

Yours sincerely
